1. What positions do you hold at the school where you work? Include committees or after school programs.

2. Have you traveled outside of the United States before? If so, which countries?

9. Imagine you are selected to volunteer with Rise Up Belize. On the way from Houston to Belize your luggage is lost and, along with it, all of your materials for the teacher training. There are few resources available in Belize and no time to travel the country trying to replicate what was lost. How will you adapt?
10. List any additional skills or hobbies that you have that may be pertinent to this program.
11. List two professional references from school administrators, one in your current place of employment and one from a previous place of employment.
12. Please provide the following:
- *A resume.
 - *Two letters of recommendation: one from your principal and one from a former student or parent of a former student.
 - *A certificate of health from your physician.
 - *Provide proof that you have been cleared to work with children. Your principal or district office can verify that your FBI screening is up to date.
